

# Welcome Evening

**Thursday 27th November  
7pm - 9pm**

Kenmore Park Pre-School and Kindergarten is holding a welcome evening for new families. You'll have the chance to meet other parents of children in your child's class and speak with the teachers. You'll also have the opportunity to hear more about the programs being run at Kenmore Park, how we support your child and our plans for 2015.

So, come along and enjoy nibbles, a glass of wine and let us welcome you to the Kenmore Park family.

The night is also combined with our Annual General Meeting where the new roles for the 2015 Parent Management Committee will be filled. Nominate for a position now!
