

i-Parent Workshop

What?

Parenting today can be challenging! There are many different parenting models to choose from and plenty of well-meaning advice ... but what really works for you and your child? This workshop offers an opportunity to pool our experiences of what does and does not work for you. We then develop fresh, practical, child- and parent-friendly strategies to use in our everyday parenting.

Facilitator:

Tracey Burgess-Limerick, PhD, Registered Psych.
